

Each season we have a diverse group of instructors hand-picked from across the country. We teach an appreciation of the world outside and encourage students to explore while they are at the Alabama 4-H Science School. All instructors have, at minimum, a Bachelors degree, are First Aid/CPR certified, have passed a criminal background check, and LOVE what they do!

Check out staff bios on our website:

ALABAMA 4-H SCIENCE SCHOOL

All programs correlate to the Alabama Course of Study for grades K-12th in Science, Math, Language Arts, Physical Education, and Social Studies

Take a journey down the Coosa River by exploring the habitats and ecosystems inside the exhibits of our LEED Gold Certified Environmental Science Building

Since 1994 the Alabama 4-H Center has provided the youth of Alabama with an amazing hands-on, experiential, environmental education experience.

Students are exposed to a variety of classes that are all correlated to the Alabama Course of Study and approved by Auburn University. Your students experience hands-on learning in a safe, structured atmosphere while benefiting from the comforts and amenities of a full service conference center.

Classes offered include:

- Herpetology
- Ornithology
- Ichthyology
- Entomology
- Forest Ecology
- Water Ecology
- Invertebrate Studies
- Archery
- Canoeing
- Maps/GPS
- Survivor: CRSS
- Compasses
- High Ropes
- Low Ropes
- Pioneer Village
- AND MORE!

3 day Program Includes

- ◇ 2 nights lodging
- ◇ 12 hours of daytime classes
- ◇ 3 hours of evening classes
- ◇ 7 hot, family-style meals
- ◇ Fun-filled, action packed days of education from the moment students arrive until the moment they leave

1 and 2 day programs also available

Call or e-mail us today to customize your experience!

Looking for someone to come to you? We also offer live animal outreach programs!
