ALABAMA 4-H & FFA MARKET HOG PROGRAM

OBJECTIVE:

To develop the life-skills of Alabama 4-H and FFA members by using the market hog program as a training tool. Some of the life-skills attained should be: 1) decision making, as it relates to the selection, management and care of an animal; 2) acceptance of responsibility, as it relates to daily care of an animal; 3) knowledge of and about animals that contribute to the food-chain, and 4) sportsmanship, as it relates to showing competition.

All market hogs that are to be shown at the Alabama National Fair, Montgomery, **MUST** be tagged with the official "ALABAMA MARKET HOG SHOW" tag. Market hogs that are not properly eartagged will not be eligible to compete in the Alabama National Fair. All market hogs must be tagged **prior to September 1, 2013** with the information reported to Bob Ebert, 111B Upchurch Hall, Auburn University, AL 36849-5625 no later than September 1, 2013. It is preferred that an Extension agent, FFA advisor or 4-H volunteer club leader be present to witness the tagging of the market hogs. Market hogs that are not properly eartagged will not be eligible to compete.

It is important that an accurate count of market hogs in each county be obtained so that the appropriate number of eartags can be ordered and sent to each county/4-H region. The cost of each tag is \$2.00. To facilitate the handling of money, the purchased tags must be paid for at the time the entry information is sent to Bob Ebert by September 1, 2013. **Tags should be ordered no later than August 1, 2013 to assure delivery by August 9, 2013.** Only one shipment of tags will be made to a county/4-H region.
