Project Updates

4-H Pig Squeal Project

What is it?
The 4-H Pig Squeal project is designed to teach 4-H members recommended management practices for growing and raising swine. Your participation in the 4-H Pig Squeal project will help you:

- Develop swine management skills
- Learn to produce healthy hogs
- Develop an awareness for business management
- Develop record keeping skills (income and expenses)
- Realize the pride of accomplishment

REGISTRATION IS NOW OPEN!!!!!!!

ROBOTICS CLUB

Colbert County Robotic Club is open to youth ages 10-16 years of age.

Our robotics program uses advanced Lego Mindstorm EV3 Robotics to give youth hands-on learning opportunities in the fields of engineering and technology.

Our robotics program allows youth to complete challenges at their own speed and encourages them to use teamwork and critical thinking to accomplish engineering challenges.

Colbert County Robotics Program will meet every month starting Wednesday, September 30th @ 5:00.

Location: Colbert County Extension Office, located in the basement of the courthouse.
201 N. Main Street Tuscumbia, AL 35674.

4-H Shooting Sports

Starting this year, Colbert County 4-H’ers will have the opportunity to explore sportsmanship and the great outdoors through “trap shooting” at Cedar Hill Trap Range in Russellville.

Youth will be under the supervision of certified 4-H professionals and certified professional shooting coaches.

All youth ages 9-18 in Colbert County are eligible to join our Shooting Sports Team.

Our first meet will be Saturday, September 12th.

Youth are encouraged to bring their own shotgun but some will be available to use at the meetings. All youth MUST bring their own shotgun shells to each meet (contact us for details).

4-H is a safe, welcoming place for kids to learn and belong. More than 1200 young people participated in COLBERT COUNTY 4-H.
