Lauderdale County
Chick Chain

Kickoff Meeting
February 16, 2016
6pm - 7pm

How Chick Chain Works...

- You will receive 10 chicks in May that will be 1-2 days old pullets (females)
- You will receive 5 chicks of each of the 2 breeds that we offer
- Raise all of the chicks, then bring 3 chickens to show at the Fair: 2 to show and 1 to donate to the Help Center food pantry.
- The rest of the chickens are yours to keep for egg production.

Other important dates:
- March 22 - training
- Late April - chicks arrive
- July - home visits
- September - show
