

ALABAMA 4-H VISION

Alabama 4-H is an innovative, responsive leader in developing youth to be productive citizens and leaders in a complex and dynamic society. Our vision is supported through the collaborative, committed efforts of Extension professionals, youth, and volunteers.

ALABAMA 4-H MISSION

4-H is the youth development component of the Alabama Cooperative Extension System. 4-H helps young people from rural and urban areas explore their interests and expand their awareness of our world while providing opportunities to develop a greater sense of who they are and who they can become—as contributing citizens of our communities, our state, our nation, and our world. This mission is achieved through research-based educational programs of Alabama A&M and Auburn Universities and an ongoing tradition of applied, hands-on/minds-on experiences, which develop the heads, hearts, hands, and health of Alabama youth.

WHAT IS ALABAMA 4-H?

4-H is a community of young people across Alabama who are learning leadership, citizenship, and life skills.
