| 4-H Individual Study | Planned learning that occurs independently of a formal group setting; self-directed, usually with limited adult involvement except for parents or mentors. Examples include self-study, home study and project work. The primary purpose of 4-H Individual Study is to involve youth in a new and non-traditional 4-H environment and increase participation through technology. **Samples:** CCS project Books | • Self-directed, usually with limited adult involvement except for parent or mentor.  
• Planned learning independent of a 4-H club or group.  
• Provides opportunity for youth to be in 4-H when a club or group is not available, or who better function and learn alone.  
• Introduce youth to 4-H. Sample Independent Pieces Include:  
• 5 Online Learning Modules:  
  • 4-Hi Does Ag: Go With the Flow  
  • 4-Hi Does Ag: Feel the Need for Seed  
  • 4-Hi Does Ag: Building Bridges  
  • 4-Hi Does Ag: Rolling Down the River  
  • 4-Hi Does Ag: Keeping it Nice & Dry  
• 4-H Learning Management System  
  • Customized platform coming in 2015/2016 4-H year  
  • Mobile Learning | 9-18 | Short Term or Long Term | No | Individual Enrollment |
