

Educators Going WILD!

One-Day Workshop with Project WILD & Aquatic WILD

This workshop is for formal and informal educators in Alabama that work with youth in K-12th grades and want to provide youth with quality environmental educational experiences.

Participants will be trained in the **2018 New Project WILD “Terrestrial” Activity Guide** as well as the recently updated **Aquatic WILD Activity Guide**. Upon completion of this six-hour workshop, participants will receive a personal copy of each guidebook.

Project WILD is an interdisciplinary conservation and environmental education program emphasizing wildlife through interactive activities. The goal is to help learners develop awareness, knowledge, skills and commitment that result in informed decisions, responsible behavior, and constructive actions concerning wildlife and the environment.
