## 4-H Clover Classroom 2008

Looking for something fun to do this summer? The 4-H Clover Classroom is a great way to keep your kids learning throughout the summer. Each workshop is conducted by an Extension professional or certified 4-H

volunteer. Youth do not need to be 4-H members to participate but they do need to be between 9-14 years of age. We are working toward the 4-H Motto "To Make The Best Better." I would like to thank all of you in advance for your participation and support that will make the 3rd Annual 4-H Clover Classroom better than ever!

Tonya Tomlin,

St. Clair County 4-H Agent Assistant

...To Make the Best Better.
