ACAAS President's Report
James D. Jones, Jr.
2010 - 2011

The last three years have been great. The last three years have also flown by like the wind. I've learned much about our organization and NACAA in the process. We are a close family of agricultural professionals and I am proud to say I am a member of the Alabama Agricultural Agents and Specialist Association.

With that said we have a tremendous task before our organization in preparing for the NACAA 2014 meetings in Mobile. ACAAS is "ALL IN" for 2014 in Mobile. We have begun the process of preparing for this event by putting together a great team to lead us in Jim Todd and Danny Cain. They will and have put together a further leadership team to address every area of the national meeting to make our 2014 NACAA AM/PIC the best meeting the south has ever put together. We will in turn show off the State of Alabama, ACAAS and Auburn and Alabama A&M Universities.

In the past year we have had many milestones for this organization. One was our bid for the national meeting being accepted by the NACAA in Tulsa. Secondly, the large number of national awards winners in Tulsa which says volumes about our membership. Finally, ACAAS member elected the first female president of this organization in Kim Wilkins to lead us into the future. I would like to personally congratulate each of the new Officers and Directors elected to serve in the coming year. Our organization has been placed in good hands with Kim and the 2011-2012 Officers and Directors.

One honor bestowed on the acting president is put on an annual meeting during his and now her year of presidency. I would like to thank the team I assembled to make your stay in Eufaula such an enjoyable event. I will start with thanking the planning team of Rachel Dykes, Mary Baltikauski, William Birdsong, Neal Kelly, David Koon, Brandon Dillard, Rickey Hudson, Derek Bryan, Doug Summerford, and Shae Windham. Mary and Rachel did a super job on the Spouse's Tour of Eufaula. William and Brandon provided a great Agronomy tour of the Cocoran Farms and produce facilities. Rickey Hudson cooked a great lunch served on the farm during the tour. Derek hosted the golfers on the first day and led the Wildlife Tour on tour day. Doug and Shae took the Youth Tour to Westville and Providence Canyon in Georgia and added water safety and wildlife the second day. Neal Kelly led the skeet shooting expedition and David Koon the fishing tourney. David also receives my many thanks for the countless other favors the host county provided from chairs to other items. You can see it takes a multitude of folks to pull this event off and I thank each and every one of my team from Southeast Alabama. I would also add a special thanks to Dick Hambley for all his work on the program and sponsors ads. I may also add thanks to many local volunteers who decorated and cooked at the different events in Eufaula.

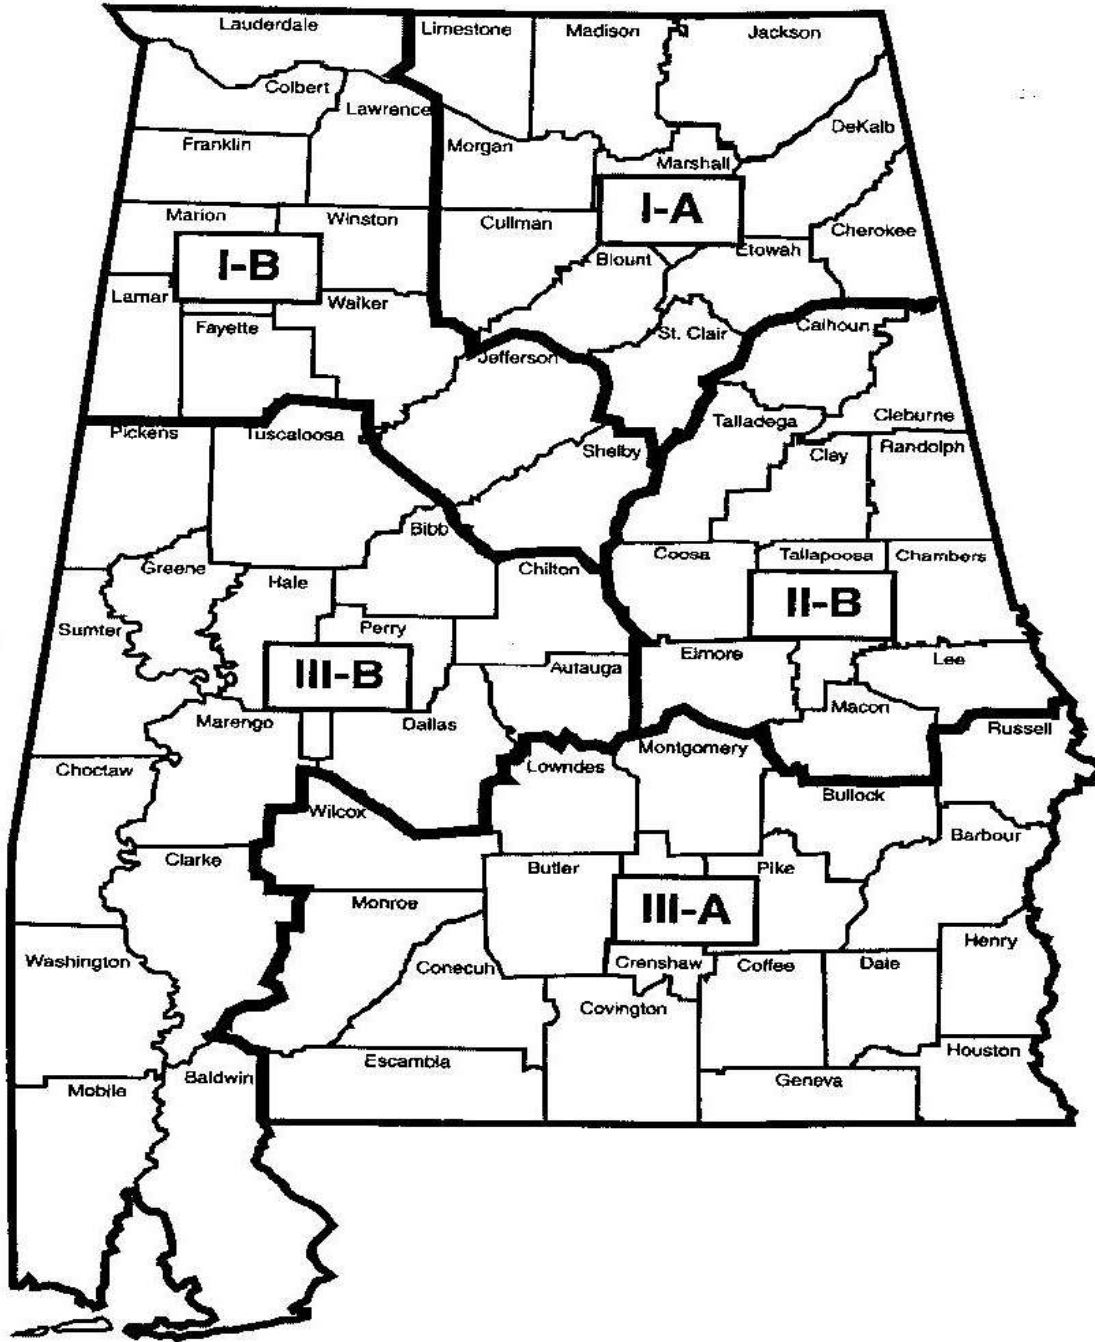

Finally, I would like to thank the ACAAS membership for having faith in me during my term as President of ACAAS. Your confidence has helped me much during the

past year. Also, special thanks to our Treasurer Rickey Hudson and Past President Ricky Colquitt for their mentoring of this president. Again, we are a close family and I am proud to be a member of the AACAAS.

ARTICLE I - NAME AND OBJECT

- Section 1 This association shall be known as the Alabama Association of County Agricultural Agents & Specialists.
- Section 2 The objectives of this association shall be: (1) To encourage a high standard of professional performance among county workers, (2) To encourage the top-flight college graduate students to enter Cooperative Extension work by making it enticing both from a professional standard and an economical profession, (3) To assist in the furthering of the ways and means of improving the effectiveness of Cooperative Extension work, (4) To advance the basic importance and position of Alabama agriculture and other resources in our state economy.

ARTICLE II - MEMBERSHIP

- Section 1 Any active Extension Worker or Extension Agricultural Specialist with a degree in Agriculture or who is assigned programmatic responsibility in agriculture may become a member of this association by paying the annual membership dues of the association and upon the approval of the board of directors.
- Section 2 Current AACAAS members and associate members who are retiring may apply for Life member status in the association. If approved by the association and the life membership dues are paid by the applicant, certain privileges will be extended including:
- A) Attendance at State or National County Agricultural Agents meeting with the restriction that Life member will not be allowed participation in business meetings or eligible to serve as officers or committee members of either the AACAAS or a voting delegate to an annual NACAA Annual Meeting and Professional Improvement conference.
 - B) The privilege of receiving the "County Agent," the official publication of the NACAA including information regarding annual or special meetings.

- Section 3 ACES State Level Administrators are encouraged to become an associate member by paying annual dues and gaining approval of the board of directors. If approved by the association and the dues are paid by the applicant, certain privileges will be extended including:
- A) Attendance at State or National County Agricultural Agents meeting with the restriction that associate members will not be allowed participation in business meetings, eligible for awards, to serve as officers or committee members of either the AACAAS or a voting delegate to an annual NACAA Annual Meeting and Professional Improvement conference.
 - B) The privilege of receiving the “County Agent,” the official publication of the NACAA including information regarding annual or special meetings.

ARTICLE III - OFFICERS AND DELEGATES

Section 1 The officers of this association shall be a president, president elect, a secretary and immediate past president ex-officio. These three (3) elected officers shall rotate among the three (3) AACAAS districts and their terms shall be one (1) year. The Board of Directors will appoint a treasurer as a voting member of the Board, subject to the approval of the membership. The term of office shall be a three-year term. The treasurer can serve consecutive terms.

Section 2 The directors of this association shall be two (2) from each AACAAS district and their staggered terms shall be two (2) years.

Section 3 The official board of this association shall comprise the three (3) elected officers, the board appointed treasurer and six (6) elected directors listed in the preceding Sections 1 and 2 of this article.

Section 4 Delegates to the annual meeting of the National Association of County Agricultural Agents shall be selected by the official board of this association from among the officers, directors, distinguished service award nominees, achievement award nominees, national committee chairman and members, and state committee chairman in priority order listed. This association shall be entitled to one (1) voting delegate to one (1) additional voting delegate for each 30 members or fraction thereof beyond the initial 40.

ARTICLE IV - NOMINATING, VOTING, AND ELECTING

Section 1 The president, president-elect, secretary and three (3) directors shall be elected at the annual meeting of this association. The immediate past president will automatically serve on the board for one (1) year as ex-officio. Directors from Districts I, II, III-A will be elected on odd-numbered years, and directors from Districts I, II, III-B will be elected on even-numbered years.

Section 2 The nominating committee shall be composed of the most recent three (3) past presidents. The most immediate past president will serve as chairman.

Section 3 Suggested nominees to the nominating committee for directors will be selected by a mail or e-mail ballot from directors in their respective districts. These ballots will list all paid members except elected incumbents to choose from and be mailed to all paid members to vote and return their vote by mail.

Section 3A A star or asterisk will be placed beside each member’s name who has previously served as an officer or director with explanation at bottom of ballot, (*previously served, but is eligible to serve again). If e-mail is used, member should return the ballot as an

attachment with "BALLOT" being placed in the subject line. The director shall select a biracial committee of two or more to count the ballots when returned. Voting members are asked to mark the return envelope "Ballot" so they will only be opened by said counting committee. Unless one member or candidates received more than 50% of the total vote there will be a mail-in run-off between the two receiving the most votes. Should three or more members be tied with the highest number of votes, the two with the most years of AACAAAS membership will be selected for the run-off. The director will mail each eligible member the second ballot with only the two candidates names listed. If there is a tie on the second ballot, the director will vote to break the tie. The director will bring the ballots from all elections to the annual meeting so they may be checked by any member.

Section 4 The nominating committee shall make their report at the annual meeting for the three (3) officers and three (3) directors listed in Section 1 of this article. After allowing for nominations from the floor, the entire membership elects its officers and directors. If there is no annual meeting the nominating committee sends its report to each paid member in the form of a ballot with write-in nominees and votes permitted and election is accomplished by mail ballot.

Section 5 Each paid member shall be privileged to cast one (1) vote for each elective office to be filled. Election of officers shall be either by a written ballot or by show of hands. Voting by signed proxy in the annual meeting of this association will be allowed for absent members in good standing.

ARTICLE V - MEETINGS

Section 1 There shall be one (1) annual meeting of this association to be held at a place designated by the board of directors. The membership shall be notified of the annual meeting at least 30 days prior to the annual meeting.

Section 2 Special meetings may be held at the call of the president with approval of the Board of Directors at times and places and for purposes designated.

Section 3 The Board of Directors shall hold semi-annual meetings and others at the discretion of the President.

ARTICLE VI - COMMITTEES

Section 1 Special committees may be appointed by the president at any time to effectively project the work of the association.

Section 2 Standing committees shall be appointed and announced at the annual meeting by the vice president subject to the approval of the official board. The vice president shall have oversight of all committee activities, including publishing of reports in the annual.

Section 3 All committees are directly responsible to the official board of the association. Committee reports shall not be released without approval of the membership of the association. Committee reports considered to be confidential by the official board will not be released for publication.

ARTICLE VII - FEES

The annual membership dues to this association can be changed at any annual meeting by a 2/3 affirmative vote of the membership. The annual membership dues to this association at present shall be \$75.00 for each agent. Fifty dollars of this amount shall be sent to the National Association of County Agricultural Agents for membership in the association. Twenty-five dollars remains with the state organization. All dues are payable on or before January 1 of each calendar year.

ARTICLE VIII - QUORUM

- Section 1 A quorum at any annual or advertised special meeting of the association shall consist of those members present.
- Section 2 A quorum of the Board of Directors shall consist of five (5) members of the said board.

ARTICLE IX - ORDER OF BUSINESS

- Section 1 Robert Rules of Order shall apply in all meetings of this association.
- Section 2 The order of business for all annual meetings of the association shall be:
- A. Call to order by the presiding president.
 - B. Report of registration and credential committee.

ARTICLE X - VACANCIES

- Section 1 The President-elect shall serve in the absence of the President.
- Section 2 In the absence or removal of the President-elect, Secretary and/or Treasurer, or Directors, that office, in either case, shall be filled until the first annual meeting thereafter, through appointment by the remaining members of the Board of Directors.

ARTICLE XI - LEGISLATION

All recommendations pertaining to the State and National Legislation shall be made to the Board of Directors for their study, action and disposition.

ARTICLE XII - RECORDS

- Section 1 The Secretary shall keep full and accurate records of the association and of the proceeding of the Executive Committee and Board of Directors; and shall receive all communications papers that normally comes with such an office; send out notices of meetings and conduct all necessary correspondence and perform such duties as usually pertain to the office.

The Treasurer will be appointed by the Board of Directors as a voting member of the Board, subject to the approval of the membership. The term of office shall be a three-

year term. The Treasurer can serve consecutive terms. The Treasurer shall keep full and accurate records of membership and of money received and paid out, send out all notices of unpaid dues, receive and receipt all membership fees; keep and account of the membership fees paid to the NACAA and the dates thereof, and deliver to his/her successor all funds and records remaining in his hands at the expiration of the one three-year term in this office. The Treasurer will assume office on the first day of January in the year following his/her appointment and his/her term shall end on December 31 three years following.

Section 2 Headquarters or the storage of the history data and the constitution of the Alabama Association of County Agricultural Agents will be the County Extension Office in Opelika, Alabama.

Section 3 The Immediate Past President shall be responsible for assembling and filing the history data covering his year in office as President.

ARTICLE XIII - AMENDMENTS

Section 1 This constitution and by-laws may be amended, revised or repealed at any annual meeting of this association or at any special meeting called for the purpose of revising the constitution and by-laws provided the membership is notified at least 30 days in advance. Any change would require an affirmative vote of two-thirds of the members present.

Section 2 Revisions made heretofore in this document become effective immediately upon approval of the membership of the Alabama Association of County Agricultural Agents and Specialists in session at their annual meeting in Dothan, Alabama, June 10, 1977.

Alabama Association of County Agricultural Agents and Specialists
2011 Annual Conference Open Business Meeting
June 2, 2011 --- Lakepoint Resort State Park --- Eufaula, AL

The open business meeting of the Alabama Association of County Agricultural Agents and Specialists was called to order at 9:00 a.m. by Jimmy Jones, President.

President Jimmy Jones spoke about the tours, lunch and our tour of Cockran Farms.

Our sponsor, Chip Blalock of Sun Belt Ag Expo spoke on new events and activities for the Sunbelt Expo.

Another sponsor, Clay Williford of Scotts, presented information on grants for “green spaces” across the country for up to \$1500.00 each.

Southern Region Director, Tim Varnadoe presented a PowerPoint update from the NACAA.

Jim Todd gave an update on the NACAA meeting to be held in Mobile in 2014. Room rates have been set at \$119.00 per night. Plans are beginning to come together. Jim recognized the Executive Committee Chairs for the meeting. 2014 NACAA AM/PIC Committee has been formed with the following committees and committee chairs:

- Facilities – Kevan Tucker, Chair; Danny Miller, Co-Chair
- Finance – Rickey Hudson and Max Runge, Co-Chairs
- Fundraising – Kent Stanford, Chair
- Meals – Anthony Wiggins, Chair
- Publicity and Communication – Shane Harris, Chair; Ellen Huckaby, Co-Chair
- Events – Ricky Colquitt, Chair
- Transportation – Ken Kelley, Chair
- Tours – Kim Wilkins, Chair; Derek Bryan, Co-Chair

The internal campaign for donations for the NACAA AM/PIC meeting in 2014 has 21 members and 11 life members who have donated/pledged almost \$50,000 at this time.

Shane Harris, Publicity and Communication Co-Chair, asked us to start thinking about a state logo for the 2014 meeting. Think about what sets us apart from other states; what is Alabama? Please offer your thoughts and suggestions to Shane on this topic.

The County Agents Kitchen Co-Chairs, Kevan Tucker and Anthony Wiggins, thanked everyone for last year’s work and stated they are looking forward to working with everyone again this year. If you have not donated you \$25 this year, please see them about making your donation. The CAK will be August 16, 17 and 18.

At this time, President Jimmy Jones closed the open business session to start our Ag tour beginning with the Eufaula National Wildlife Refuge.

2011 County Agents Kitchen Sponsorship Report

The 2011 County Agents Kitchen fed nearly 500 County Commissioners, County Administrative staffers, and family members for lunch and 400 plus for breakfast at the Association of County Commissioners annual meeting in Orange Beach on August 17th and 18th. AACAA&S President Kim Wilkins welcomed the group, shared the history of the Kitchen, and presented the Commissioner's outgoing and incoming Presidents a whole smoked ham sponsored by Smith Farms of Cullman County and the Alabama Pork Producers. The slide presentation was developed and produced by regional extension agent Mallory Kelley. The commissioners and their staffs expressed appreciation for the meals. The meal was made possible by the contributions of commodity groups, active members, life members and farms from around the state. Borden Dairy, Kelley Meats, McEwen & Sons, Smith Farms, Mike Reeves, Harvest Select Catfish, and Mayfield Dairy lead the way with food contributions. As always our own Extension Administration was very supportive of this event and special thanks goes out to Dr. Gaines Smith for approving financial and travel support. The 2012 CAK will again be held at the Perdido Beach Resort in Orange Beach, Alabama.

The following is a list of monetary contributors to include active members, life members, ACES administration, and sponsors. ACES Administration provided CAK reimbursements of \$1000.00 (does not include travel of those working the CAK). 64 active members donated \$1595, 15 life members donated \$375, 2 non-members donated \$50, and sponsors, Alabama Pork Producers and the Marshall Co. Poultry & Egg Association, donated a total of \$400. There was a total of \$3,420 worth of monetary donations in 2011.

Respectfully submitted,
 Anthony Wiggins, Co-chair County Agents' Kitchen

2011 AACAA SCHOLARSHIP COMMITTEE REPORT

- It is with great honor that we were able to serve the association with perhaps the most enjoyable task of all - helping our members further the education of our children thus strengthening the future of our families, this organization, and the nation. The AACAA Scholarship Committee met throughout the meeting and categorized items to be used for auction items/door prizes. The 2011 auction item collection resulted in a significant number of items in the silent and live auctions.
- The Scholarship Auctions and Donations netted: \$6,105.00
(compared to \$6,018.00 in 2010 and \$4,584.00 in 2009)
- Silent Auction + Donations Total: \$2,320.00
(compared to \$3,510.00 in 2010 and \$2,083.00 in 2009)
- Live Auction + Donations Total: \$3,785.00
(compared to \$2,135.00 in 2010 and \$2,181.00 in 2009)

Note: Donations in 2011 were included with the total on the day given.

- Five \$1,000.00 youth scholarships were awarded. Applicants who did not receive a scholarship at the 2011 meeting were encouraged to submit their applications again next year. The 2011 scholarship winners were:

2011 AACAA Scholarship Winners

Student	AACAA Parent/Grandparent	College(s) & Major
John William Ashmore	Terrell Guthrie	Shelton State Community College Engineering
Matthew David Dorough	Henry Dorough	Auburn University Animal Science with Pre-vet Option
Lauren Elizabeth Gray	Gary Gray	Auburn University Nursing
James Daniel Jones III	Jimmy Jones	Auburn University Poultry Science with Pre-vet Option
Cale Wilson Runge	Max Runge	Auburn University Ag Business & Economics

- To be eligible for the NACAA scholarship fund for agents and specialists, applicants just have to contribute at least \$40.00 (total over their tenure) (Note: checking to confirm this and to learn of any changes) to the national organization by the end of the national AMPIC in the year prior to the application. Items donated for the national scholarship educational auction are also counted as contributions towards the \$40.00 requirement.

2011 Teaching and Education Technology Committee Report

This committee encourages AACAAAS members to submit the results of demonstrations and applied research to the Journal of NACAA which is published annually by the NACAA.

Cell phones and SouthernLinc radios are critical tools for REA's and CEC's. As this equipment ages, it will require repair and replacement. Additional resources may be needed for Ken Jordan and other staff so that they can continue to provide repairs, parts, and accessories for this equipment. We encourage the administration to develop a policy of regularly scheduled replacement of mobile communication tools.

This committee commends the Computer Technology Unit for its excellent performance in supporting Extension agents with computer troubleshooting and service.

This committee commends the administration for the implementation of video conference technology in many county offices and regional extension centers. This technology has been adopted well by the extension staff and is helping reduce travel costs during the current economic conditions.

We recommend upgrading all counties with DSL internet service to a T1 line or better. As video conferencing and other high-bandwidth technologies become more common, a better internet connection will be critical. In offices that have older Polycomm units, we recommend the prompt repair or replacement of that equipment.

Our committee encourages Extension employees to use blogs, web pages, online video, and social media to deliver programs. These tools will likely grow in importance in coming years.

This committee recommends that the cost of professional certifications for CEC's and REA's, such as Certified Crop Advisor, should be reimbursed by Extension.

2011 Recognition & Awards Committee Report June 2, 2011

The Committee is proud to announce the winners of the 2011 Distinguished Service Awards and the Achievement Award.

Distinguished Service Award Winners

Tony Glover – District I
Charlie Mitchell – District II
Anthony Wiggins – District III

Achievement Award Winners

Stephen Enloe

The Committee has been working with the Association Officers and Board of Directors to determine a fair and equitable way to choose DSA Winners. The Association currently has 3 Districts and in the past each District is usually able to select one DSA winner. With lower membership numbers the number of DSAs that can be awarded may vary from year to year.

The Committee recommends to the Association Officers, Board, and Membership that a statewide process be developed to ensure the winners consider the award to be the highest honor a member can receive and that each member would have an opportunity to be considered for the award (having met the guidelines of the National and State Association.)

2011 Hall of Fame

The Committee is proud to announce the 2011 Hall of Fame winner as **Charles R. Moody** of Cherokee County.

Some Membership Statistics as of 2011

District I has 12 Members eligible for the DSA
District II has 28 Members eligible for the DSA
District III has 20 Members eligible for the DSA

Forestry, Wildlife and Natural Resource Program Committee Report June 3, 2011

The Forestry, Wildlife and Natural Resource Program Committee met on June 3, 2011 at the LakePoint Resort State Park in Eufaula, AL. Committee Members Present: S. Wayne Ford, Chairman, Derek Bryan, Roger Vines, Tommy Futral; Neal Hargle, and Beau Brodbeck.

Recommendations from the committee meeting:

- We congratulate Sam Wiggins and the Pickens County 4-H Forestry Team for winning eighth place at the 2010 National 4-H Forestry Invitational in Weston, West Virginia.
- We congratulate Wayne Ford and the Tuscaloosa County 4-H Wildlife Team for winning sixth place at the 2010 National 4-H Wildlife Habitat Evaluation Invitational in Los Alamos, New Mexico.
- We would like to thank our AACAAS co-workers, Derek Bryan, Kelvin Perkins and David Coon for bravely representing us in the armed forces in the Middle East. We are proud to have Derek and David safely back in the States with us. Our thoughts and prayers continue to be with Kelvin.
- We would like to commend Wayne Ford for receiving the Auburn University School of Forestry and Wildlife Sciences 2010 Outstanding Alumnus of the Year.
- Presently, ACES has three Forestry, Wildlife and Natural Resource REA vacancies. We would like to encourage ACES administration to fill these positions as soon as possible.
- We commend Beau Brodbeck, and Chris Dillard for conducting GPS training to constituents throughout the state. We would like to encourage them to write a step-by-step manual for implementing the different educational techniques that are capable with a GPS unit.
- We would like to commend two of our AACAAS Forestry, Wildlife and Natural Resource Program Committee members, Tommy Futral and Wayne Ford, upon their retirement from Extension. Tommy retired in October 2010 and served over ten years on the National 4-H Forestry Invitational Committee. Wayne, who retired at the end of February 2011, initiated the Alabama 4-H Forestry Team program. Since 1984, Alabama 4-H Forestry Teams have won 17 National Championships – by far, more national championships than any other state in the United States.

2011 Agronomy Committee Report

1. The committee commends Dr. Paul Mask and Dr. Dale Monks for the innovative leadership of the ACES Agronomy Team.
2. The committee encourages ACES Administration to fill the vacant REA positions.
3. The committee recommends that ACES Agronomy program efforts be issue oriented to address current farm needs.

In Remembrance . . .

Thomas (Tom) Calvin Casaday

❖ **He was a good son.** One of five children born to Clifton Floyd Casaday, Sr. and his wife Gussie Davis. Grew up on a farm in Macon County, AL. Knew what it was like to labor in the fields in the stifling heat of August. Much influenced by his Mother, daughter of a Confederate veteran and former school teacher. Instilled in Tom and his two brothers and two sisters a desire for education. Reared in the Great Depression. All of the children completed college.

❖ **He was a good soldier.** Drafted into the United States Army shortly after high school graduation in 1943 at the age of eighteen. After basic training, he was sent overseas to fight in the Burma-India campaign. Honorable discharged in 1946.

❖ **He was a good husband and father.** Married Dot Miller on November 22, 1958. A partnership that has lasted over fifty years. Devoted father to Warren and Tommy. He was a “hands on father”, always put their happiness above all else. He was their mentor; several mottos, two in particular: “Go with confidence”, “Is your goal to win the battle or win the war”. Both Warren and Tommy say, “Dad was my best friend”.

❖ **He was faithful in every aspect of his life. Professional Life:** As a County Agent of the Extension Service, career of 37 years, 30 of which were in Coffee County. His work was never a chore; it was his joy. Never really got away from it, even on vacation. Dot’s story of having to be on the lookout for pay phones while the family traveled before the days of cell phones. His genuine belief that what he did as an Extension agent made a difference for the better, not only for the farmers but for American society. **Second Career:** In real estate, 15 years. One of the top producers, brought to this career the idea of service in the same manner as ACES. **Loyalty to Auburn University:** Three degrees including two graduate degrees, masters and Education Specialist. **Commitment to Christ and His Church:** Became a Presbyterian, served as an elder in this body, Sunday School Superintendent. He served faithfully until the end.

❖ **He was a Good and Faithful Man Because of his Servant’s Heart.** He knew that whatever he had been given were his to use in the service of his Master, Jesus Christ. On the early morning of May 21, 2010, Thomas Calvin Casaday heard his Master call, “Come, Tom, and share your Master’s happiness”.

Jerry Russell Crews

Jerry Russell Crews, known to many in extension as “Crews” was good. You can fill in the blank. . . a good. . . husband, father, friend, specialist, economist, cook, hunter, fisherman, neighbor, mentor, etc.

There are a number of people that we work with that express themselves in as few of words as possible. When they describe someone or something, it is in simple, efficient terms. For example, when someone or something is good. . . that is the highest/best. There are some that would use terms such as the superior, excellent, expert, exceptional, etc. and those can certainly be used but I can imagine that Crews would be pleased to be described as “good” a term that reflects the people of his upbringing and that he spent his career helping.

From humble beginnings in southeast Georgia near Nahunta, Crews went far. Like many rural south Georgia Ag students, Jerry began his college education at Abraham Baldwin Agricultural College or ABAC in Tifton where he earned an Associate degree. Then on to Athens and The University of Georgia for a BS and MS. Eventually he completed his PhD at Auburn. But the formal education is not what made Jerry good. Jerry was good because he genuinely cared. People can sense when someone really wants to help and will go above and beyond what is expected. . . this was Jerry and people knew this.

Jerry served as an unofficial mentor to me. I spent a lot of time listening and watching and hopefully learning from him. He was great role model on how to be a good Extension economist and agent to many in Alabama and across the Southeast.

It was obvious that Jerry was at home anywhere he went. People from all walks of life embraced Jerry and the message he carried. The tobacco barns back home in Nahunta to catfish ponds in west Alabama and everywhere in between served as his classroom but the front porch of Comer Hall was special. I can honestly say I received some of my most valuable education during the time on the porch of Comer Hall with Jerry Crews.

Jerry passed away on his 57th birthday, November 29, 2010. He began his career with the Alabama Cooperative Extension System on November 1, 1977 and served for over 27 years retiring in December 2003. He touched, cared and made a difference in many lives over this time. Behind every good man is a good woman and that is certainly an understatement in this case. Jerry left behind a good wife, Karen and two sons, Josh and Justin.

When I think of Jerry, I can’t help but to think of the lyric from the great philosopher and song writer Jimmy Buffet
“Some of it’s magic, some of it’s tragic but I had a good life all the way.”

Jerry Russell Crews did good and was good.

Qwinn R. Ezell (1930 – 2010)

“Coach, I need help!” Gwinn Ezell was often called coach by his 4-H members as he came to Extension as a former science teacher and coach. And, coaching is what he did best.

He was appointed as a 4-H agent in Hale County in 1962 and began his career of mentorship to the young men in Hale County, teaching life lessons of citizenship and leadership. Those young men excelled in public speaking and parliamentary procedure. They were recognized as being great youth.

Ezell was promoted to county agent coordinator in 1981 and served in that position until his retirement in 1990. He continued to work as the coach of Hale County within Extension.

Ezell received the 4-H Achievement Award in 1986 from the Alabama Association of County Agriculture Agents. He received the 4-H Merit Award in 1980 from the Alabama Cooperative Extension System Employees Organization. In 1989, he received the Hale County Farm City Supporter of Agriculture Award recognizing him for his tireless efforts.

He received an outstanding service certificate in 1993 from the Hale County Board of Education, and in 2008 was inducted into the Alabama 4-H Wall of Fame.

Gwinn Russell Ezell was born on April 15, 1930, to Frank and Ila Ezell in Grove Hill, Alabama. After high school graduation in 1949, he attended and graduated from Alabama A&M University with a BS in agriculture. Afterwards, he served two years in the U. S. Army (1954 – 1956). He received his Master’s in Education degree in vocational and agricultural education from Tuskegee University (1980).

After his death in December 2010, he was honored by the Greensboro Tree Commission for his long service on that commission. A dogwood was planted at the Una Martin Park in his memory.

Mr. Gwinn Ezell is survived by his wife, Mrs. Irma Ezell who lives in Greensboro, Alabama.

“Do all you can and then a little more. Mortan man can do no more than this,” is a quote from Ezell’s retirement speech. It’s a great honor to recognize this man who always gave “a little more” by placing his name on the dedicatory plaque of the Extension Memorial Chapel.

Emmett C. Farrington (1917 – 2010)

Emmett Farrington was a native of Blount County where he was born in Blountsville in 1917. He grew up on his parents' farm and helped to raise corn and cotton. Influenced by his farming background, Farrington later decided to attend Auburn University and major in agriculture science.

In 1943 he married and entered the Army after being drafted before his graduation. Farrington was a veteran of World War II having served in the Philippines where he rose to the rank of first lieutenant of field artillery. He later served two years as first lieutenant in the Army during the Korean Conflict.

Following his military service he decided to put his agricultural background to use and applied for work with the Cooperative Extension Service and was assigned to work in Cleburne County on September 1, 1946 as an Assistant Extension Agent.

One of Farrington's main responsibilities was to work with 4-H members in all the clubs. This was no small task because when Farrington first came to Cleburne County, there were 12 elementary schools (some junior) and two high schools.

By the time of his retirement on June 30, 1977, Farrington had served his county and country for 31 years, worked with over 5,000 4-H members, assisted with 4-H camps and organized numerous 4-H rallies and other activities. His contribution to developing the character and abilities of these young people has made a lasting, positive impact.

Farrington also worked with farmers to diversify agricultural practices, increase poultry and beef production and improve pasture development, including hay and grain crops. Because of his many contributions to 4-H, he was honored with a reception on July 29, 2009, sponsored by the Cleburne County Extension Office. He received a proclamation from the Cleburne County Commission and the "Key to the City" from the Mayor as July 29 was proclaimed Emmett Farrington Day in Heflin.

On Nov. 12, 2009 Farrington was inducted into the Alabama 4-H Wall of Fame. This special honor is given to those individuals who have had a significant impact on the 4-H Youth Development Program, its members and leaders. This recognition pays tribute to those such as Farrington who have influenced the lives of Alabama youth by their commitment "To Make the Best Better."

Emmett Farrington passed away on July 23, 2010 at the age of 92. He was a resident of Heflin most of his life and member of the First United Methodist Church of Heflin.

Glenn B. Handley (1924 – 2010)

Glen Boyd Handley was born March 6, 1924 in Tallapoosa County, Camp Hill, Alabama. He was the youngest of three children born to William Bedford Handley and Annie Lucille Strozier Handley. Glen had a sister, Katherine Handley Jamison and a brother, William Thomas.

The house Glenn was born and reared in was on Handley Farm located in the Sandy Creek Community in Tallapoosa County near Camp Hill. His father was born in 1893 in the same house, which has the number “1890” carved above the front door facing. This house and farm is still in the Handley family today.

Glenn finished high school in Camp Hill and received a BS degree in Agricultural Science in 1948 from the Alabama Polytechnic Institute in Auburn, Alabama. He also did graduate work at the University of Colorado.

Shortly after graduation, Glenn began his Extension career in 1948 as Assistant County Agent in Crenshaw County, Luverne, Alabama. In 1950, he married Mary Hawkins, of Luverne and they became the parents of two sons, Boyd (1956) and Nix (1962-1984). Boyd is a geologist and after finishing law school became a corporate lawyer in Houston, Texas. Boyd has a son, Ford, 23, and a daughter, Caytlin, 17.

Recalling Glenn’s 30 years with the Extension Service in Crenshaw County, he worked primarily with 4-H Club youth, but worked also with adults in the agricultural field. Top priorities in the 4-H field were public speaking, swine, beef, and peanut production, as well as tractor driving. The county 4-H youth were awarded numerous county and district awards in these fields, producing eight state winners and one national winner.

Glenn was the recipient of the 4-H and Youth Development Certificate of Achievement in 1960. He was also awarded the Alabama Outstanding 4-H Agent Service Award that year at the annual meeting of the County Agents Convention in Birmingham.

Handley received the Alabama Association of County Agricultural Agents and Specialists (AACAAAS) Distinguished Service Award in 1974. Later that year, he was awarded the National Distinguished Service Award at the National Association of County Agricultural Agents in Tucson, Arizona. He was chosen for his records of accomplishments and exceptional service to the people of the county in which he worked. Glenn was a Life Member of AACAAAS. In 1975, he was the recipient of the Farm Agent 4-H Recognition Award. He was also a member of the Alabama Cattlemen’s Association for many years.

During his career, Handley accompanied local 4-H Club youth delegates to three major events: to the 4-H Club Congress held in Chicago, IL; Fork Collins, Colo., Public Speaking; and Tractor Driving Competition in Richmond, VA.

The Crenshaw County Commission, in 1979, expressed to Mr. Handley “their gratitude and appreciation for his effective work with the boys and girls of the county involved in 4-H Club activities.” Each member commended him for the excellent performance and the dedicated service of his duties throughout the years of his work.

After retiring, Glenn was named Crenshaw County membership chairman in 1983 for the Auburn University Agricultural Alumni Association. He also served as a member of that association’s Board of Directors in 1987.

In the community, Glenn received the Distinguished Service Award for his work with the Alabama Society for Crippled Children, where he also served for many years as co-chairman.

Glenn was a long-time active member and Deacon of The First Baptist Church in Luverne. He was a charter member of the Luverne Rotary Club and served as president in 1958. Handley was a former member of the Crenshaw County Hospital Board, and also served on the County board of Registrars for a

number of years. Following his retirement on March 31, 1979, he was employed by Luverne Bank & Trust Company for a short period of time.

Mr. Handley, 86, passed away on June 14, 2010, in Luverne following declining health of several years. He and his wife, Mary, had been married for 59 ½ years.

Alan M. Matthews (1923 – 2010)

Allen McLeod Matthews was born on November 14, 1923 to Albert Sidney and Juddie Williams Matthews in Leroy, Alabama. The youngest of seven children, he was raised during the Depression on a farm in Southwest, Alabama. Despite difficult economic conditions, he and four of his brothers and sisters graduated from Alabama Polytechnic Institute as Auburn was then known. He never forgot his high school alma mater (1942), Leroy High School, and took great pride in its many recent athletic successes including several state championships.

After entering Auburn in the summer of 1942, he joined the Army and served in the 102nd Infantry Division known as the Ozarks, 308th Field Artillery Battalion. When he returned after the war, he resumed his education at Auburn, graduating in 1947. He soon married the love of his life, Jeanette Carleton and began a memorable career in Extension. Allen served 14 years in Pickens and Greene Counties before serving as Houston County Coordinator for almost 25 years. He was awarded the Distinguished Service in 1962.

Fellow co-worker Rayfield Vester stated, “He was a Christian man. I never saw him and or heard him criticize anyone. He was a compassionate person and good leader. He loved agriculture and the people of Houston County. He was a student of history. He gave critical thought to an issue before making a tough decision. He trained many young agents in Houston County who became successful in their careers. Mr. Matthews was in charge of Houston County Extension Office during the trying years of integration. His tolerance for doing what’s right superseded negative community pressures.”

His legacy in Houston County will be hard to repeat and will be remembered for years. As a member of the Dothan Kiwanis Club, he and Dr. Coy Poitevint started the Houston County Fat Calf Show which has been going on for 44 years. Richard Murphy, retired Houston County, found Allen Matthews to be a great writer. It was very easy for him to express his thoughts on paper. He wrote a weekly column for *The Dothan Eagle*, keeping folks informed about farming in Houston County. He often included his experiences from a visit to Ole Buddy in Beat 13. His Ole Buddy was a farmer in Houston County whom Mr. Matthews thought a lot of. Ole Buddy often gave him fresh produce from the garden, fruit from the orchard, or pecans in the fall of the year. Ole Buddy always gave a report of how things were on the farm – how the crops were growing, was it too wet or too dry, or maybe even how some USDA program was affecting his profit or loss on the farm. Ole Buddy seemed very real to readers of that weekly column as you could just see them leaning over the fence talking to each other much like that famous picture “You been farming long” of the two little boys in their overalls. By now, you probably realize Ole Buddy was a fictitious farmer from Beat 13 in Houston County that did not exist. However, those experiences with Ole Buddy did seem very real to those readers of that weekly column.

As an avid reader, he especially enjoyed American History and discussing family history with nieces and nephews, whom adored him. Mr. Matthews served in various positions in First Baptist Church in Dothan, including Deacon, Deacon Emeritus, and avidly served as Sunday

School Teacher. After retirement in 1985, he devoted the rest of his life to his family, church family, Auburn sports, and Dothan Kiwanis Club. He is survived by his wife of years, Jeanette Matthews formerly of Live Oaks, Florida; two sons and daughter-in-law, Larry Matthews (Carol) of Birmingham and Ronnie Matthews of Live Oak, Florida; two grandchildren, Wesley Matthews (Wendy) of New Orleans, LA and Jenny Matthews of Los Angeles, CA.

Joseph Heath Potter (1970 – 2010)

Joseph Heath Potter was born and raised in the Flat rock community of Lawrence County. Heath was around agriculture since birth. Helping around the family farm, working with 4-H, and scouting cotton while in high school and college were all a part of his life. He also had help and guidance from his father, Joe Potter, a County Extension Agent in Colbert County.

Heath graduated from Hatton High School in 1988. He attended Shoals Community College where he graduated in 1990. He obtained his bachelor's degree in horticulture in 1993 and his master's degree in horticulture in 1996, both from Auburn University.

Upon graduation, Heath briefly worked for the Lauderdale County Farmer's Co-Op, leading them to open a specialty garden center in Florence. In 2000, he accepted a position as an Extension agent in Lawrence County, where he worked with row-crop and cattle farmers. When he became an agent, he immediately joined AACAAAS because he grew up in the organization. He became the leader of our youth programs which he did for many years. He loved working with young people.

Heath married Donna Norton in 1990, and they had two sons, Kamron, born in Auburn in 1996, and Kole, born in Sheffield in 1998. They lived in the Flat Rock community where he grew up. In addition to serving in his position as a county agent, Heath operated Kolorscapes Landscaping, using his horticulture skills to create unique designs for his clients. After Heath left Extension, he worked for Alfa Insurance as an agent in Moulton. His last year was working again with farmers, selling crop insurance for Silveus Insurance Group.

Heath was a lover of the out-of-doors. He helped his dad and brother Dustin with Potter's Mud Creek Farm, where he helped to build a special place for family and friends to spend time together. He also enjoyed spending time with his friends hunting, fishing, and watching and talking about his passion, Auburn football.

Heath's death at age 40 on July 7, 2010 was very unexpected. His love of people was evident from the long lines at visitation and the funeral. All too comfort in the fact that he was a practicing Christian who loved his Lord. Heath will always have a place in our hearts.

Hoyt B. Price
(1917 – 2010)

Mr. Price was born May 15, 1917 at home in Clay County, Alabama. He departed this earth on November 26, 2010.

He graduated from Lineville High School, and then attended and graduated from Alabama Polytechnic Institute now known as Auburn University, in 1943. Before college he worked in the Civilian Conservation Corps (CCC) in California fighting forest fires. He served in the Merchant Marines during World War II.

After graduation from college, Mr. Price accepted a position teaching agriculture at Lincoln High School in Lincoln, AL. He married Vina “Tot” Chandler in 1943. They had two sons, and later, six grandchildren and four great-grandchildren.

After the war ended, he took a job with the Alabama Cooperative Extension Service as Assistant County Agent in Lawrence County, where he worked with 4-H, as well as with farmers. In 1963, he transferred to Marion County, where he was County Extension Chairman. He worked there until his retirement in 1977.

I first met Mr. Price when I was Assistant Superintendent of the Upper Coastal Plains Experiment Station near Winfield. This was probably in 1970. He would come by occasionally to see what kind of research was going on at the station. He was supportive of the beef cattle field day and the swine field day we hosted each year.

In 1965, he received the Distinguished Service Award from the AACAA and NACAA.

It is an honor to have known Mr. Hoyt Price and to be able to present this memorial.

F. D. Robinson

Fred Dewitt (Rob) Robinson, age 89, of Ford Payne, Alabama passed away November 5, 2010. He is survived by his wife Eleanor Bailey Robinson and son, Thomas Arthur Robinson II and his wife Mary Alice of Hoover, AL.

Rob was born in Good Hope, in Cullman County and graduated from Cullman County High School in 1942. He served his country in WWII from 18942 through 1946, in North Africa, Sicily, France, and Germany in the 813th Tank Destroyer Battalion. He was awarded the Bronze Star, Purple Heart, American Defense Services Medal, and Silver Star.

In 1946, he graduated from Alabama Polytechnic Institute where he was a member and president of Sigma Pi fraternity.

He started his career with the Auburn Extension Service in Cherokee County at Centre, AL in 1949. He then transferred to Lauderdale County in Florence, AL, and then moved over to the Auburn Experimental Research Center in Winfield, AL. In 1953, he returned to the Auburn University Extension Service at Tuscumbia, AL, where he was heavily involved in his church and community. In 1965, he was appointed County Extension Chairman in DeKalb County at Fort Payne. While in Fort Payne, he was also very involved in his church (First United Methodist Church) and his community. He was a Fort Payne Rotarian, held many offices in the County Agents Association – secretary/treasurer and vice president.

Rob retired in 1978 and started his own business. As an avid golfer and very good grounds man, his business was Turf Consulting Services. Of course, he would have to play all the courses he consulted with. He was a member of the Alabama Golf Course Superintendents Association and the National Golf Course Superintendents Association of America. He enjoyed this business until his second retirement in 2000.

Rob's impact was great in all the communities he worked, especially Fort Payne and Dekalb County. As a young agent doing 4-H Club work in 1973, he certainly had a positive impact on my life. He lived his life with honor and integrity. When he told you something you could depend on it to be the gospel. He was very smooth in everything he did; he did not have to get all excited or bent out of shape to get something done. When he walked into a room, he seemed to have everyone's respect just by his presence. It was an honor for me to serve the people of Dekalb County for four years under his leadership.

**Manuel T. Whisenant
(1922 – 2011)**

Manuel T. Whisenant, retired County Agent, passed away my first official day as coordinator in Cullman County on Tuesday, March 1, 2011 at the Morningside Assisted Living home in Cullman, Alabama. He was born on July 24, 1922 and was preceded in death by his wife, Nell Whisenant a very warm sweet woman who was a longtime customer of mine when I ran a produce and plant business in Cullman. She would come buy tomato plants for Mr. Whisenant to grow even after he was too frail to drive the car himself. Occasionally he would come with her and I would always go to the car and just to hear old Extension stories.

They had one daughter, Emily (Stan) Chism and two sons, Phillip (Donna) and Larry (Bea) Whisenant, seven grandchildren, and six great-grandchildren.

Although I enjoyed talking to Mr. Whisenant about his Extension career I did not know until after his death that he served in WWII from December 6, 1942 to November 9, 1945 in the U.S. Army as a Rifleman & Heavy Machine Gunner. His platoon participated in campaigns in North Africa, Sicily, Normandy, Central Europe, and Northern France; and I am told he was especially proud and rightfully so of having served under General Patton in one of these campaigns.

On July 1, 1954 Mr. Whisenant began working for Extension in Dekalb County. Later that year he transferred to the Marion County office where he worked as an Assistant County Agent from 1954-1965. In 1965, he moved to Cullman County where he served as the Extension Farm Agent from 1965-1975 and retired as the Cullman County Agent on July 31, 1977. He retired with 31 years of service including his military service.
