Authors

D. L. Bailey
Graduate Student
Entomology & Plant Pathology
Auburn University, AL

K. S. Balkcom
National Soil Dynamics Lab
Auburn University, AL

L. Black
Student
Crop, Soil and Environmental Sciences
Auburn University, AL

K. B. Burch
Research Associate
Entomology & Plant Pathology
Auburn University, AL

C. H. Burmester
Agronomist
Tennessee Valley Research and Extension Center
Belle Mina, AL

K. L. Bowen
Professor
Plant Pathology
Auburn University, AL

C. H. Campbell
Research Associate
Entomology and Plant Pathology
Auburn University, AL

R. Colquitt
County Extension Coordinator
Shelby County, AL

D. P. Delaney
Extension Specialist
Crop, Soil and Environmental Sciences
Auburn University, AL

D. Derrick
Regional Extension Agent, III
Cherokee County, AL

J. T. Ducar
Sand Mountain Research and Extension Center
Sand Mountain, AL

M. L. Flessner
Research Associate IV
Crop, Soil and Environmental Sciences
Auburn University, AL

J. P. Fulton
Associate Professor
Biosystems Engineering
Auburn University, AL

K. M. Glass
Advisor III, Natural Resource Program
Crop, Soil and Environmental Sciences
Auburn University, AL

W. Griffith
County Extension Coordinator
Fayette County, AL

B. Guertal
Professor
Crop, Soil and Environmental Sciences
Auburn University, AL
Authors, Cont’d

M. Hall  
Extension Specialist  
Renewable Fuels,  
Alabama Cooperative Extension System  
Auburn, AL

A.K. Hagen  
Professor of Plant Pathology  
Auburn University, AL

C. Hicks  
Regional Extension Agent, I  
Alabama Cooperative Extension System  
Auburn, AL

C. J. Land  
Graduate Student  
Entomology and Plant Pathology  
Auburn University, AL

K.S. Lawrence  
Professor  
Entomology and Plant Pathology  
Auburn University, AL

P. L. Mask  
Asst. Director Agriculture, Forestry and National Resources  
Assistant Dean for Extension  
Auburn University, AL

S. McElroy  
Associate Professor  
Crop, Soil and Environmental Sciences  
Auburn University, AL

B. Meyer  
Director, Agronomy and Cooperative Services  
Agri-AFC  
Decatur, AL

C. C. Mitchell  
Extension Specialist Professor  
Crop, Soil and Environmental Sciences  
Auburn University, AL

Professor and Extension Specialist  
Crop, Soil and Environmental Sciences  
Auburn University, AL

S. Nightengale  
Director, Plant Breeding Unit  
E.V. Smith Research Center  
Tallassee, AL

C. Norris  
Tennessee Valley Research and Education Center  
Belle Mina, AL

B. V. Ortiz  
Extension Specialist and Assistant Professor  
Crop, Soil and Environmental Sciences  
Auburn University, AL

G. Pate  
Director E.V. Smith Research Center  
Shorter, AL
Authors, Cont’d

M. Patterson  
Professor  
Crop, Soil and Environmental Sciences  
Auburn University, AL

J. Platt  
Student  
Crop, Soil and Environmental Sciences  
Auburn University, AL

A. Price  
National Soil Dynamics Lab  
Auburn University, AL

T. Reed  
Extension Specialist, Franklin County  
Russellville, AL

S. Scott  
Associate Director  
Agr. Research and Extension Center  
Shorter, AL

R.B. Sikkens  
Research Associate, I  
Entomology and Plant Pathology  
Auburn University, AL

A.L. Smith  
Graduate Student  
Plant Pathology and Entomology  
Auburn University, AL

R.H. Smith  
Professor and Extension Spec., Emeritus  
Entomology and Plant Pathology  
Auburn University, AL

S. Virk  
Research Engineer II  
Biosystems Engineering  
Auburn University, AL

D. Weaver  
Professor  
Crop, Soil and Environmental Sciences  
Auburn University, AL

N. Xiang  
Graduate Student  
Entomology and Plant Pathology  
Auburn University, AL
