August 2, 2017

Memo To: 2017 Alabama Ryegrass Variety Participants

From: Kathryn M. Glass
Variety Testing

Note: August 21 is the deadline to receive seed to guarantee inclusion in this year's trials.

The 2016-17 Alabama Ryegrass Variety Report and others are available on-line at:
www.alabamavarietytesting.com

The 2017-18 trials will be conducted much the same as in past years. There will be a fee of
\$150 per entry per each location tested with 4 test locations:

1. North Alabama - Crossville
2. Central Alabama - Tallassee
3. Southeast Alabama - Headland
4. South Alabama - Fairhope

Please make checks payable to: Crop, Soil & Environmental Sciences - Auburn University

Please send a letter of entry intent and fees no later than **August 14**.
Send **2 lbs. of each variety** you wish to enter to:

Kathryn Glass
