Support/EZGuide 500 Support/Software Downloads/EZ-Guide 500 Name Creation Utility

The screenshot shows the 'EZ-Guide 250 / 500 Name Creation Utility' window. It has a menu bar with 'File' and 'Help'. Below the menu bar is a tab labeled 'CFFE Names'. The main area is divided into four sections: 'Clients', 'Farms', 'Fields', and 'Events'. Each section has a list of items, a text input field, and an 'Add' button. In the 'Clients' section, 'AMY WINSTEAD' is entered in the input field. In the 'Farms' section, 'TVREC' is entered. In the 'Fields' section, 'DRIP TIERS' is entered. In the 'Events' section, 'LIME 1 TON' is entered. At the bottom, there are radio buttons for 'EZ-Guide 250' (selected) and 'EZ-Guide 500'. To the right of these are buttons for 'Clear All...', 'Load...', and 'Save...'. A small information icon and text are located above the radio buttons.

3. Entered information appears in box.

2. Add information in box. Select Add or press Enter.

4. Repeat steps 2 and 3 for Farms, Fields, and Events

1. Select correct unit

5. When finished Click Save. Save file to USB to upload to unit. Make sure the file ends in `_ezg_projele.cfg`.
