

News Announcement
January 16, 2008
Roger Vines
County Extension Coordinator

On Feb. 8th, Auburn University's Longleaf Alliance in conjunction with the Cooperative Extension System, Dept. of Wildlife & Freshwater Fisheries, Forestry Commission, and the Alabama Wildlife Federation will be holding a program on managing longleaf pine forests for wildlife. The program will be held at the Autauga County Agriculture Building located on Hwy 14 on the eastern edge of Autaugaville. The program will begin at 8:00am. Lunch will be served prior to a tour of the Autauga Demonstration Forest. The field program will conclude at approximately 4:30pm. The program is open to the public. Landowners, land managers, and other interested individuals should attend. There is a \$10 registration fee to assist with the cost of lunch and transportation. A brochure with more details is available for download at the Wildlife Federation's website (www.alabamawildlife.org). For more information, contact Patrick Cook at 334-361-7273.
