One Tranquility Base, Huntsville, AL 35805-3399 • 256-837-3400 ext. 200 • www.spacecamp.com

Pathfinder®

The Pathfinder® program is a weekend of nonstop activities exploring the history, present, and future of manned space flight. Participants are immersed in hands-on training for a space shuttle mission, experiencing both shuttle and space station simulators*. Presentations are packed with interesting facts and trivia that students remember long after the weekend is over. Pathfinder also includes a giant-screen IMAX® experience where students experience the sensations of a real shuttle launch.

Contact the 4-H Group Coordinator listed below to find out how you can join a group of 4-H attendees for this amazing program in 2010.

Space Camp, 4-H Group Coordinator • 214 Extension Hall
