## Summer Fun Shop Registration Begins

Our goal is to provide a fun, safe environment for the youth of DeKalb County, while also providing a unique learning opportunity.

In 4-H, we believe in "learning by doing". We are putting that belief in practice with these fun-shops. Each week the youth will have the opportunity to learn a new skill and compete for prizes at the end of the week.

The fun-shops are low cost at \$20.00 per child each week. They are open to children between the ages of 9-19 years old. We will provide lunch for the all-day fun-shops. Snacks will be provided each day.
