

Master Gardeners Distinctive License

Supporting the Alabama Master Gardener Program and The AMGA Horticulture Scholarship Endowment

The Alabama Master Gardeners Association Horticulture Scholarship Endowment is established in the Auburn University Foundation by the Alabama Master Gardener Association for the purpose of providing scholarships for students seeking a degree in the Department of Horticulture or closely related areas.

The Alabama Master Gardener program enhances and supplements the Consumer Horticulture programs in Extension, teaching and research of the Alabama Cooperative Extension System (ACES) and supports and provides guidance for local Master Gardener organizations throughout the State of Alabama

Ride with pride with the new Alabama Master Gardeners License Plate. You do not have to be a Master Gardener to order this plate. Just an enthusiast who is willing to support the volunteer efforts of the Master Gardener Program. Order your Distinctive Plate today thru your local Alabama Department of Revenue Motor Vehicle Division. For further information on this plate or the Master Gardener Program please contact us. .
