

4-H Robotics

Hands On, Minds On Learning

This innovative program lets youth explore, design, build, and program robots using Lego Mindstorm kits. Members will progress through challenges that increase in difficulty as they prepare for regional or state competitions*.

Come join us as we explore the world of robotics!

4-H Robotics Club

Mondays, 4:00 – 6:00 p.m.

Upcoming Meetings: January 31
 February 28
 March 28
