## 4-H Clover Classroom 2011

Looking for something fun to do this summer? 4-H Clover Classroom is a great way to keep your kids learning throughout the summer. Each workshop is conducted by an Extension professional or a 4-H Volunteer. Youth do not need to be 4-H member to participate but they do need to be between 9-14 years of age. We are working toward the 4-H Motto "To Make The Best Better." We would like to thank all of you in advance for your participation and support that will make the 6th Annual 4-H Clover Classroom better than ever!
