4-H Clover Classroom Scheduled for July

July will be here before you know it! The 4-H Clover Classroom will be ready to go with a great selection of one-day workshops for 9-14 year olds. We are proud to bring back some favorites and even throw in a new adventure!

We are now taking enrollment for all workshops and youth do not need to be a member of 4-H to participate. Lunch will be provided for all workshops.
