## **From Farm to Holiday Table Open House**

Farm-City week is celebrated each year beginning on the Friday prior to and ending on Thanksgiving Day. The purpose of National Farm-City Week is to bring about a better understanding between rural and urban people by increasing their knowledge and appreciation of each other as partners in progress.

As a part of our Farm-City activities this year, the St. Clair County Extension office and the St. Clair County Farmers Federation Women's Division has planned a special program and Open House, *From Farm to Holiday Table*. It will be held on Wednesday, November 19<sup>th</sup> from 9 a.m.—3 p.m. at the Extension office, located on the lower level of the St. Clair County Courthouse—Pell City in Suite 103.

Admission is at least one canned good which will be donated to the Christian Love Pantry in an effort to help local families in need. Please mark your calendars now and plan to stop by, tour the Extension office, visit the exhibits, enjoy tasty holiday refreshments, see holiday demonstrations and presentations all while learning about the importance of the farm and farmers. Without them there truly would be no holiday feast to enjoy! So, plan to attend at least one or more presentations or come and stay all day. Everyone is welcome!
