Extension Offers Food Preservation Workshop

Do you love the fresh taste of those summer fruits and vegetables? Want to learn how to preserve that taste all year long? The St. Clair County Extension Office is offering a *Food Preservation Basics Workshop* on Tuesday, June 8th, 2010 from 6—8 p.m. in the Extension Auditorium in Pell City. The workshop is FREE but you must pre-register to attend. Registration deadline is Tuesday, June 1st. To register, please call the St. Clair County Extension office at (205) 338-9416 or download, complete and mail in a registration form from our website at www.aces.edu.

Learn the latest information on canning, freezing, pickling, drying, and making jams and jellies. Be sure to bring your pressure canner lid (dial gauge only) to be tested. For questions or more information, please contact Angela Treadaway, Regional Extension Agent at (205) 338-9416 or email treadas@aces.edu. Space is limited, so don't delay, register today!
