News Release

## **Extension Offers Free Food Preservation Workshop**

Do you love the fresh taste of those summer fruits and vegetables? Want to learn how to preserve that taste all year long? The St. Clair County Extension Office is offering a *Food Preservation Basics Workshop* on Monday, July 25<sup>th</sup>, 2011 from 6—8 p.m. The workshop will be held at the Pell City Civic Center, 2801 Stemley Bridge Road, Pell City, AL 35128. The workshop is FREE but you must pre-register to attend. To register, please call the St. Clair County Extension office at (205) 338-9416.

Learn the latest information on canning, freezing, pickling, drying, and making jams and jellies. Be sure to bring your pressure canner lid (dial gauge only) to be tested. For questions or more information, please contact Angela Treadaway, Regional Extension Agent at (205) 338-9416 or email [treadas@aces.edu](mailto:treadas@aces.edu). Space is limited, so don't delay, register today!
