News Release

St. Clair County Health Fair **Scheduled for November**

The St. Clair County Extension Resource Health Council has scheduled their annual health fair for Saturday, November 15th from 9 a.m. to 1 p.m. at Victory Christian Center. The Council is currently seeking participants for this year's fair. There are two ways that you and your company/organization may participate.

- 1) **Corporate Sponsorship**—provides a monetary donation to cover expenses of the Health fair, including advertisement. The sponsors will be promoted during the Health Fair in various advertisements, flyers and public relation articles. The levels of sponsorship are GOLD-\$100 and SILVER-\$50.
- 2) **Vendor Booth**—subject to review and approval by the Health Resource Council based on space needs, type of service and space available. All products **MUST** be approved by the FDA. Each vendor is required to provide a \$25.00 door prize in lieu of a registration fee.

Please consider both methods of participation and say “YES” to at least one level. We encourage participation on more than one level.

The health fair is designed to increase awareness and promote healthy lifestyles throughout the community. This year's theme is “Fishing for Good Health.” **The deadline to register is Friday, October 17, 2008.**

For more information about the health fair or to request a registration form to participate please contact Lee Ann Clark, County Extension Coordinator with the St. Clair County Extension Office at (205) 338-9416 or email clarkla@aces.edu.
