

Tonya Tomlin
4-H Agent Assistant
News Release

Fun, Fun in the Summer Time

Summer vacation has come to an end and it is time to hit the books! Where did the time go? Here in the 4-H office, we were busier than ever during the summer! We held our second year of the 4-H Clover Classroom Summer Workshops. This year we expanded the workshops to include Advanced Cooking Camp, Rocketry and Sport Fishing. These new workshops fell right into place with our favorites from last year—Beginner Cooking Camp and GPS Scavenger Hunt & Orienteering (we did add Geocaching this year). I think that I can show you how much fun we had easier than I can tell you in words, so I will let the pictures speak for themselves.

If your child is interested in becoming a 4-H member, please call or email 4-H Agent Assistant Tonya Tomlin at 205-338-9416 tomlita@auburn.edu .

Issued in furtherance of Cooperative Extension work in agriculture and home economics, Acts of May 8 and June 30, 1914, and other related acts, in cooperation with the U.S. Department of Agriculture. The Alabama Cooperative Extension System (Alabama A&M University and Auburn University) offers educational programs, materials, and equal opportunity employment to all people without regard to race, color, national origin, religion, sex, age, veteran status, or disability.
