4-H Clover Classroom on Track for July!

We have all seen the studies that say kids suffer learning setbacks during the summer. Are you looking for a sure fire way to keep your kids learning on track throughout the summer? Are your kids looking for something fun to do? Well, consider signing them up for the 4-H Clover Classroom!

Planning is already underway and supplies are being purchased for our 3rd Annual 4-H Clover Classroom, conducted by the St. Clair County Extension office and 4-H. The Classroom is scheduled for the month of July. Any child ages 9-14 (you do not have to be a member of 4-H to participate) is invited to attend any number of the one day workshops held throughout the month of July in locations across St. Clair County. We are very excited about our workshop lineup this summer. This is the most packed schedule we have offered yet!

Workshops offered include:

Archery	July 7
Quilting	July 8
Junior Master Gardener	July 11
Kids Cooking Camp:	
Kitchen Basics	July 14
Bread Making	July 15
Canning & Food Preservation	July 16
Cakes & Candies	July 17
Advanced Cooking	July 18
Sport Fishing	July 23
Scrapbooking	July 24
Fit To Ride ATV Safety	July 29
Robotics (ages 9-11)	July 30
Robotics (ages 12-14)	July 31

Each workshop will be offered for a nominal fee of just \$5. Lunch will be provided. Times will vary, but most run from 9 a.m. – 3 p.m. If you know a child that would be interested in attending these workshops, please contact 4-H Agent Assistant Tonya Tomlin at the St. Clair County Extension office by email at tomlita@aces.edu or call 205-

338-9416 for more information or to request a registration form. Registration forms may also be picked up at the Extension Office, located on the lower level of the Courthouse in Pell City in Suite 103/B04 or may be downloaded from our website at www.aces.edu/stclair.

If you would like to support the St. Clair County 4-H Clover Classroom, either through a financial donation or to help out as a volunteer, please contact me. Your support helps us to provide quality workshops for the kids of St. Clair County each summer.
