- 10:30 break
- 10:00 Plasticulture and drip irrigation session
- 12:00 lunch
- 1:00 hands on irrigation equipment demonstration
- 3:00 adjourn

If you would like to attend this meeting please fill out the registration form below and send in the registration fee of \$3.00 per person to the E.V. Smith Research Center. If you have any questions about this meeting please contact Chip East at 256-354-5976 or 256-846-0314. Please send in your registration by February 18.

Directions to the E.V. Smith Research Center: From I- 85 north or south in Macon county take exit 26 to Highway 229 North towards Tallassee. Go approximately one mile until you see a railroad crossing just before the railroad crossing you will see Macon County Rd. 40. Take a right on CR 40. The Horticulture unit is located about a mile from the turn on the left.

From Tallassee take 229 south to the railroad tracks just past the river bridge. Then take a left on county road 40. The Horticulture unit is located about a mile from the turn on the left.

If you need better directions contact Jason Burkett at 334-727-7403.
