9286 Highway 29
Banks, AL 36005

334-243-4072 (home/business)
gary@redrootfarm.com
www.redrootfarm.com

Products – We produce crops on land with no chemical use. Focusing growing during the cooler months of the year, we grow almost all vegetables with the exception of cauliflower. We have some fruits and sugarcane. Prepared to fill almost any order, our primary responsibility is to develop awareness of organic methods and provide nutritious food for dedicated support through Community Supported Agriculture. Our most flavorful crops include: watermelons on sale starting in July, sweetpotatoes in October, and many types of fresh greens also starting in October. We never use synthetic chemicals of any kind. We offer many organic supplies and consulting through our on-farm store.

Type of Operation – retail, wholesale, Farmer’s Market, CSA

Open – Year Round

Directions – From Troy follow Hwy 29 North about 10 miles. Farm in on your right just before the blinking yellow light at the Exxon station. Farm Stand on the right with “Organic Feeds, Seeds, Groceries” on front awning. Call for store times and appointments.
