Bringing Out the Big Guns:
Another 4-H Success Story

The 2007 Alabama 4-H Shotgun Championship was held in May at the Red Eagle Gun Club in Childersburg. Thirty-five competitors from six Alabama counties participated, with awards presented to juniors and seniors in skeet, trap and high-over-all categories. There were no senior teams this year, according to REA Kim Good.

The Talladega County 4-H Shotgun Club provided a great lunch and lots of ice cream.

The event was successful because of the great support from members in the Red Eagle Gun Club and volunteers from the Talladega County 4-H Shotgun Club. They organized the event, scored the rounds, loaded skeet and trap machines, prepared the meal, refereed, and worked with youth.

A total of 179 volunteer hours (with an economic impact of \$3359.83) made this event possible.

For information on volunteer opportunities and resources, talk with your county Alabama Cooperative Extension System Office or visit our state 4-H website at <http://www.Alabama4h.com>

Something's Fishy in St. Clair County!

Thirty-five St. Clair county 4-H members participated in the 4-H Clover Classroom in July. Tonya Tomlin, 4-H Agent Assistant, organized the workshops with great adult and youth volunteers. Workshops included Cooking Camp, GPS Orienteering and Geocaching, Rocketry and Sport Fishing.

Cloverbuds: A “have-fun-while-learning” way to build confidence, social skills, decision making, knowledge, and physical skills for 5-8 year olds in your community.
