

Bake Sale

Purpose:

This activity is great to raise money, get students and parents to work together baking and selling, and have fun and mix and mingle and eat some baked goods!

Description:

A good time to have a bake sale is during a city festival or at a school sporting event. Ask students and parents to work together to stock the bake sale. You can also have different themes like healthy bakes, or typical bakes from Alabama, etc. You can also have a fair trade coffee tasting to go with your bake sale. For more information on how to organize a bake sale go to:
