Another 4-H Success Story**

Montgomery County 4-H and ECHO (Empowering Communities Helping Ourselves) partnered on a grant of \$25,000 to provide afterschool programs at Harrison Elementary School. The grant came from the J.C. Penny Afterschool Fund thru the National 4-H Council.

These grants increase access to safe, enriching places to go during weekday out-of-school hours for youth who are not in an after-school program.
