

Northeast Alabama Stored Grain Pest Management Workshop

Tuesday July 8, 2008

Location: Meet at Dennis Myers Farm, near Collinsville, AL. Directions from I-59 interchange in Collinsville: travel west on AL 68 about 100 yds. and turn south on County Rd. 51. Travel two miles and turn left on County Rd. 39. Travel one half mile and farm will be on right. After hands on training we will go back to the Sand Mountain Research and Extension Center (13112 HWY 68, Crossville, AL), for lunch and more presentations.

- 9:15 Registration, refreshments
- 9:25 Welcome, David Derrick, Regional Extension Agent, and Danny Miller, CEC Dekalb Co., Alabama Cooperative Extension System
- 9:30 Why Store Grain, and Why Is Pest Management Important? Dennis Myers
- 9:45 Sanitation, grain bin preparation, empty bin treatments. Kathy Flanders, Extension Entomologist, Auburn University
- 10:30 How to set up a closed-loop fumigation system, Eric Schavey and Jim Sharpe, DeGeschAmerica
- 11:15 Loading, Moisture Content, Warren Griffith, Regional Extension Agent, Alabama Cooperative Extension System
- 11:30 Travel to Sand Mountain R&E Center

- 11:45-12:30 Lunch
