

**Alabama Quilters:
The Next Generation**
A 4-H Art and Architecture Event
For Junior 4-H

Would you like to make a really great piece of artwork? Have you ever thought about making a quilt?

The Alabama 4-H Quilting Project lets you:

- Be creative.
- Show off your work.
- Make something fun.

What You Will Learn

- **The Quilting Project** will help you learn about art and cloth.
- **The Quilting Project** will help you learn to make choices.

The Rules

- You can't use a kit or fabric packet.
- Quilts shouldn't be much bigger than 3 feet by 3 feet, but can be smaller.
- Quilts can be any shape.
- Quilts can be wearable (like a vest or skirt), wall quilts, placemats, pillows, baby quilts or any other form.
- Construction and quilting may be done by hand or machine or even glued.
- Put your name or names and county on the back. You can do this by pinning on a slip of paper.
- All work must be done by one 4-H member or several 4-Hers working together.
- Adults can show you how, but shouldn't do the work for you – that wouldn't be fair!
- Team and individual quilts are judged all together.

Quilts will be judged on skill, imagination, and overall appearance.

Something to Think About

Can you use what you have learned to help others? Service to others is an important part of 4-H.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, and other related acts, in cooperation with the U. S. Department of Agriculture. The Alabama Cooperative Extension System (Alabama A & M University and Auburn University) offers educational programs, materials, and equal opportunity employment to all people without regard to race, color, national origin, religion, sex, age, veteran status, or disability.
