

## Freestyle 4-H Showcase For Junior 4-H

What do a stamp collection, model cars and a home-made apron have in common? They are examples of things you can use in **Freestyle 4-H Showcase**.

No two entries will be alike. Everyone has different ideas and enjoys different things.

What 4-H activity do you really like? You pick the activity and you design your showcase entry.

**Freestyle 4-H Showcase** lets you:

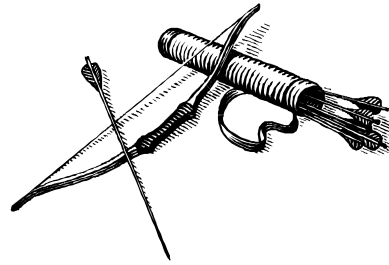

- Decide what you want to learn.
- Be creative.

**What You Will Learn:**

- To make plans.
- To make decisions.
- To solve problems.
- To decide what it means to do a good job.

### Something to Think About

Can you use what you have learned to help others? Service to others is an important part of 4-H.

### The Rules!

**Even Freestyle has some Rules:**

- Your entry can be large or small. It should be no larger than 3 feet.
- No live animals. No endangered or threatened plants.
- Your work must be original. Do not use copyrighted images.
- Be safe in preparing your entry.
- Tables will be provided. You must bring any other equipment.
- Your entry must be new during the current 4-H year. Don't use last year's project from another contest.
- Prepare for a 3-minute discussion with the judges about what you did and learned.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, and other related acts, in cooperation with the U. S. Department of Agriculture. The Alabama Cooperative Extension System (Alabama A & M University and Auburn University) offers educational programs, materials, and equal opportunity employment to all people without regard to race, color, national origin, religion, sex, age, veteran status, or disability.
