I learn things in Maximum Power that help me make better decisions.					
Maximum Power has helped me become a better communicator.					
Maximum Power helped me to know more about solving problems.					
Maximum Power helped me to work better with others.					
Maximum Power helped me to measure distance, size, temperature, time, etc.					
I've learned how to try out what I've learned to see if it's true or that it works.					
Maximum Power helped me to learn how to use equipment (thermometers).					
I look for ways to help save energy.					
Can identify alternative energy resources.					
Know which light bulb is more energy efficient-- “regular” (incandescent) or “curly-cue” (compact fluorescent).					
I know at least three types of fuel- other than gasoline or diesel- that can run cars and trucks.
