#### Junior Educational

Champion: Lindsey Merrill, Jefferson County  
Reserve: Christina Baggett, Autauga County

### **BALDWIN COUNTY 4-H JUBILEE**

The Baldwin County 4-H Jubilee was held in Fairhope in May. This year's program included 4-H members sharing club highlights.

- *In Action Drama Club* performed their Human Video, *Arise My Love*.
- *5<sup>th</sup> H 4-H Club* displayed their *Denim on the Delta* projects. Decorated jeans were displayed at the opening of the Five Rivers Delta Center and a 4-H pair will be in the Center's national traveling pants tour.
- *Baldwin Buds*, a JMG Club, shared their ongoing project of a square-foot garden.
- *Dolphin Home School 4-H Club* exhibited their community service projects including work with the Humane Society, Food Bank, Golden Living Nursing Home, and Maddie's Fund.
- North Baldwin Shooting Sports Club brought the wildlife biologist from the Dept. of Conservation and Natural Resources to set-up the laser-shot system.

According to REA Cynthia Knowlton, more than seventy youth and adults attended. 4-H'ers were recognized, *Dolphin Home School 4-H Club* received charter status, and Carolyn Moseley was recognized as a Volunteer Leader. As one parent said: "The information is available and programs are being offered...volunteer leaders are the key to program participation."
