

# 2008 Adult 4-H ATV Evaluation

Your help is needed in providing vital feedback on the 4-H ATV Safety program your youth have completed. This information is important because your answers will serve as a guide to making changes to improve 4-H ATV Safety programming. Please take a moment to complete this survey for your club by indicating whether the group's attitudes and skills have changed as a result of their experience. Thank you for your support of this activity.
