

Because I have been involved
with 4-H
and Forestry . . .

Forestry

Circle one of the following :

Always

Usually

Some-
time

Never

I think about different ways to complete a task or project.

I can make a plan and stick with it.

I have a skill that I am proud of.

I make good choices.

I want to make a difference in my school, church or community.

I look for ways to help others.

I feel like my friends listen to me and care about me.

I feel comfortable sharing my ideas with adults.

I can identify common tree species.

I can figure out if a tree is healthy.

I can measure a tree's board feet & determine its value.
