### Installation Instructions:

**Step 1:** Navigate to [www.poultryhouse.com](http://www.poultryhouse.com) on Android Default browser as seen in Screenshot 1 and click on “Minimum Ventilation Calculator for Smart Phones” link near the top of the page as seen in Screenshot 2. Your screen should be the same as Screenshot 3.

**Step 2:** Click on the three vertical dots in the top right corner shown in Screenshot 4 and then click the “+” area that is also shown in Screenshot 4.

**Step 3:** Click on the “Home Screen” option shown in Screenshot 5.

**Step 4:** The link will be on your home screen as shown in Screenshot 6.

\*Please seek special instructions for adding a bookmark or shortcut on the internet for other smartphones.

**Congratulations! You may now use your new icon. Good luck this winter!**
