

About Raising Children

An English translation of a Spanish publication of the Texas Agricultural Extension Service, Texas A&M University, entitled "Acerca de la Crianza de Niños ." Translated by permission.

"Based on your experiences with your own children, what is the best advice that you could give about raising children?"

Being a parent is not an easy job and it is easy to feel insecure and confused at times. The traditional approach to raising children, using common sense, seems sensible and stable compared to passing theories and fads.

Issued in furtherance of Cooperative Extension work in agriculture and home economics, Acts of May 8 and June 30, 1914, and other related acts, in cooperation with the U.S. Department of Agriculture. The Alabama Cooperative Extension System (Alabama A&M University and Auburn University) offers educational programs, materials, and equal opportunity employment to all people, without regard to race, color, national origin, religion, sex, age, veteran status or disability.
