<tr>
<td>9:00 to 9:10</td>
<td>Welcome and Introduction, Discussion of Objectives</td>
</tr>
</tbody>
</table>
| 9:10 to 10:15| Visual Tree Analysis and Evaluation of Aboveground Defects:  
              *This presentation will describe defects and conditions that predispose trees to branch and stem failure.  
              Techniques for evaluating decay will be emphasized. Species failure profiles will be discussed.* |
| 10:15 to 10:30 | Break                                                                                      |
| 10:30 to 11:15| Visual Tree Analysis and Evaluation of Belowground Defects:  
              *This presentation will describe defects and site conditions that predispose trees to soil and root failures.  
              Techniques for evaluating root decay will be presented.*                                      |
| 11:15 to 12:00 | Documentation, Tree Risk Rating Systems, and Legal Considerations in Managing Trees       |
| 12:00 to 1:00 | Box Lunch provided                                                                         |
| 1:00 to 3:00  | Outdoor Lab  
              *This lab will feature visual tree analysis and site analysis for assessing branch, stem, root, and soil failures.  
              Techniques and equipment used to evaluate wood and root decay will be presented.*            |
Hurricanes Ivan & Katrina Media Event and Reception

Monday, September 8, 2008
Holiday Inn Hotel & Conference Center
Club Room

3:00 to 5:00 Conference Registration

3:00 to 4:00 Hurricane Ivan and Katrina Media Event
Mr. Steve Marshall, Director of Urban & Community Forestry, US Forest Service
Dr. Gaines Smith, Director of the Alabama Cooperative Extension System

6:00 to 8:00 Welcome Reception, Sky View Lounge, Holiday Inn Hotel & Conference Center

Conference
“Weathering Future Storms: Steps to a Storm-Resilient Community Forest”
9 ISA CEUs

Tuesday, September 9, 2008
Holiday Inn Hotel & Conference Center
Bienville Ballroom

7:15 am to 8:00 Continental Breakfast

8:00 to 10:00 Opening Ceremonies: “Setting the Stage”
  1) Welcome
  2) The Big Picture
     Neil Letson, State Urban Forestry Coordinator
  3) Auburn’s Community Forestry Hurricane Program: Lessons Learned in Working with Communities, Grants, and Hurricanes
     Beau Brodbeck, Alabama Cooperative Extension System Regional Agent

10:00 to 10:30 Break

10:30 to 12:00 pm Presentations: “Before the Storm – Preparedness”
  1) Tree Selection: Wind-Resilient Trees
     Dr. Hallie Dozier, Associate Professor of Forestry, Louisiana State University
  2) Designing and Installing Hurricane-Resistant Urban Forests
     Dr. Ed Gilman, Professor of Environmental Horticulture, University of Florida

12:00 to 1:30 Lunch On your Own

1:30 to 3:00 Presentations: “After the Storm – Immediate”
  1) Dangerous Trees, Critical Thinking, and Making Them Safe
     Ken Palmer, ArborMaster Training Inc.
  2) Rapid Urban Tree Assessment
     Dudley Hartel, Urban Forestry South Center Manager, US Forest Service

3:00 to 3:30 Break

3:30 to 5:00 Presentations: “After the Storm – Long Term”
  1) Assessing Urban Trees: Tree Structure and Safety
     Dr. Bruce R. Fraedrich, Bartlett Tree Research Laboratories
  2) Preventive and Restorative Pruning
     Dr. Ed Gilman, Professor of Environmental Horticulture, University of Florida

6:30 to 8:00 Dinner Banquet, Bienville Ballroom, Holiday Inn Hotel & Conference Center
