Friends of the Agriplex support new programs.

The North Alabama Agriplex Heritage Center is located in Cullman County which is rated the number one county in Agriculture in Alabama. Even so, many Cullman County residents do not know the origin of their food. The North Alabama Agriplex is working to help children and adults in North Alabama know where their food comes from, how to grow it, and to preserve the farming heritage of this area. Please consider a donation to the North Alabama Agriplex, to help continue this goal.

When you join us you'll:

- Sponsor summer programs at the North Alabama Agriplex Heritage Center
- Promote tours of local farms
- Establish the North Alabama Agriplex Heritage Center as a teaching center
- Support Agriculture Education in your community
