

2011 PROFESSIONAL LOGGING MANAGER INITIAL TRAINING COURSE

Alabama Center for Advanced Woodworking Technology
145 Alabama Highway 129
Haleyville, AL
November 3rd & 17th, 2011

Class does NOT qualify as Continuing Education - Initial Training Only

All sessions will begin at 8:00 am. The specific course work and dates consist of the following:

Day 1 - Logging Safety and Compliance – Presentations include: general logging safety precepts applicable to all logging workers, specific job task safety principles, business regulations, and logging business information and management tools. Session will start at 8:00 a.m. and conclude at 3:00 pm.

Day 2 - Forest Resource Conservation – Begins with overview of the Sustainable Forestry Initiative (SFI). An overview of the conduct of a timber harvest from economic and environmental perspectives. Presentations will cover endangered species, conserving biodiversity, forest productivity through forest management, Best Management Practices for water quality protection, and timber harvest planning. Session lasts from 8:00 a.m. until 3:00 p.m.
