POSITIVE IMPACT ON THE ENVIRONMENT

To make a reservation or for more information, contact Becky Collier at (205) 669-4241 or src0008@auburn.edu.

COOSA RIVER SCIENCE SCHOOL

The Coosa River Science School is based at the Alabama 4-H Center, home of the LEED Gold Certified Environmental Science Education Center. Youth enjoy live animal programs, team building activities, an authentic pioneer village, and evening programs.

Programs correlate to the Alabama Course of Study in science, math, language arts, physical education, and social sciences for kindergarten through eighth grade.

The Alabama Cooperative Extension System (Alabama A&M University and Auburn University), is an equal opportunity educator and employer. 12M, New Dec 2011, YENR-0002
