### ***Policies Pertaining to the Workplace***

As an equal opportunity and affirmative action employer, the University does not discriminate against or permit harassment of employees on the basis of race, color, sex, religion, national origin, age, disability, veteran status, sexual orientation, or genetic information. The Office of Affirmative Action/Equal Employment Opportunity has overall responsibility for the management of the University's equal opportunity and nondiscrimination policies. The University also has the policy of providing a drug-free workplace environment. It is important that all University employees familiarize themselves with Auburn's complete official policies on these issues, which can be found at:
