Workshop Session 6	GPS/GIS, Coding, and Energy
Group Activity	GPS/GIS Treasure Hunt

Teen Leadership Opportunity

Youth ages 13–18 interested in serving as an advocate for learning in science, technology, engineering, and math are invited to apply to be an Alabama 4-H STEM Ambassador. Selected youth will serve as group leaders and workshop assistants during the 4-H STEM Camp and then in various roles in their home counties and beyond in the coming months.

Contact Dr. Tony Cook for more information.
