

ANIMAL SCIENCE

Alabama 4-H young people understand American agriculture.

Inspiring Kids to Do

— Ashton Osborne, Madison County

The purpose of 4-H animal projects is to teach young people how to **care** for, feed, and exhibit their animals. In addition, 4-H animal projects provide young people with an opportunity for **personal growth** and development.

Horse Show passive education entries

89

Livestock active education participants

44

Poultry Week participants

4-H IS IN EVERY ALABAMA COUNTY

The Bottom Line

Alabama young people develop respect, responsibility, and trustworthiness by participating in 4-H animal projects as they prepare to become the next generation of leaders.
