Page 2 of 2 (See Front)

This form is designed to document the custody of live material and samples from AL licensed hemp growers to the location where the plants will be processed or tested. This document is an internal document of the Alabama Cooperative Extension System used to transport hemp material. This is not a state program form. This document is for informational purposes only.

For additional information, contact Kassie Conner with the Auburn University Plant Diagnostic Lab at 961 S. Donahue Dr., Auburn University, AL 36849 or (334) 844-5507.
