young people in Alabama 4-H

IDENTIFYING SPECIES

MANAGING THE HABITAT

EXPLORING FRESHWATER

Through 4-H Alabama Water Watch, Forestry, RiverKids, Sportfishing, the Wildlife Habitat Education Program, and the 4-H Science School, young people learned about the outdoors.

150+ native species of flora and fauna studied

78 natural resource assessments conducted

212 miles of freshwater paddled

50 citizen science water data records submitted

# 4-H IS IN EVERY ALABAMA COUNTY

## The Bottom Line

4-H is equipping young people with the knowledge and skills to protect and conserve Alabama's valuable resources.
