

Prevention

 1 OR 3 1-HOUR SESSIONS

For Youth
Ages 10–19

ESCAPE Vapes
PROGRAMMING

Escape Vapes

A vaping prevention course that uses lessons and activities from the Stanford University Tobacco Prevention Toolkit

The program is designed to help youth:

- understand the contents of a JUUL and other e-cigarettes
- know the health and addiction risk of using nicotine products (electronic cigarettes, pods, pens)
- understand the strategies manufacturers and marketing agencies use to increase vaping and smoking among youth
