Rabbit Agility for FUN

This contest will take place outside under the arena and rabbits will be in a fenced area. Rabbits may compete with a leash and harness if that is the owner's preference, but it is not required.

1. Only rabbits that are healthy, tame, clean, and friendly are eligible for agility competition.
2. A rabbit must be a minimum of 6 months old to participate in Rabbit Agility competition.
3. Rabbits that are 6 to 10 months old may only participate in novice classes of Rabbit Agility.
4. Pregnant does shall not participate in Rabbit Agility.
5. No nursing does shall participate in Rabbit Agility.

6. Rabbits should never be pushed to do a piece of or course full of agility equipment.
7. Human contestants, called handlers, must remain calm when working their rabbits at Rabbit Agility. No yelling, fast motion, or unruly behavior.
8. Rabbits must be handled in a humane way. Judges may ask anyone who is showing any type of cruelty to their animal to step down from the competition.
9. It is important that your rabbit is well groomed before each competition. A dirty body and/or tail area can contaminate the agility equipment. Long nails could get hung in or on the equipment, causing injury to the rabbit's foot. Long toenails may scratch the owner or handler, judges, or others helping at the events.
10. This is a timed event. If a rabbit misses an obstacle, 5 seconds will be added to its time for each missed obstacle. Never force a rabbit to do an obstacle if it does not want to.

Chicken Talent Show

The Chicken Talent Show is an opportunity for members to show off tricks that they have taught their chickens. Members must maintain control of their chickens during the talent show as it will be outdoors. Members will have up to 2 minutes to complete the tricks with their chickens.
